TAA Premium: Add \$10/hr to the effective block rate on TAA aircraft.

MULTI-ENGINE BLOCK HOURS — TEMPORARILY UNAVAILABLE

We are currently returning our second Piper Seminole (N8360V) to service. Multi-Engine block hour options will resume within approximately **60 days**.

Our operational Multi-Engine aircraft remain available for **hourly rental only** during this period.

WHY SMART PILOTS CHOOSE BLOCK HOURS

- ✓ **Lower Effective Rate** — The more you commit, the lower your hourly cost
- ✓ **Priority Aircraft Access** — Block holders get scheduling priority during peak times
- ✓ **Lock In Your Rate** — Protect yourself against future rate increases
- ✓ **Better Cash Flow Planning** — Prepaid hours = predictable training costs
- ✓ **Best Value on 500hr & 1000hr Blocks** — Maximum savings for serious flyers and flight schools
